Dear 

Freedom of Information (FOI) Request

I refer to your application received by ACT Health on 1 November 2018 in which you sought access to information under the *Freedom of Information Act 2016* (the Act).

In your application you have requested:

"I would like a copy of the Mills Oakley report on the selection process for the Director Medical Imaging provided to ACT Health on 24 July 2018."

I am an Information Officer appointed by the Chief Executive Officer of Canberra Health Services under section 18 of the Act to deal with access applications made under Part 5 of the Act.

Canberra Health Services is required to provide a decision on your access application by 28 November 2018.

Decision on access

I have decided to refuse access to the requested government information under section 35(1)(c) of the Act. I have decided that the information, if provided, would be contrary to the public interest information in accordance with Schedule 1.9(a) of the FOI Act as it would disclose the identity of a person who has made a public interest disclosure under the *Public Interest Disclosure Act 2012* (the PID Act) and could reasonably be expected to be an offence under the PID Act if disclosed. The release of this information could also reasonably be expected to be an unreasonable limitation on a person's rights under the *Human Rights Act 2004*.

Charges

Processing charges are not applicable for this request because no documentation has been provided.

Online publishing – disclosure log

Under section 28 of the Act, Canberra Health Services maintains an online record of access applications called a disclosure log. Your original access application and my decision will be published in the disclosure log with some detail redacted. This will occur not more than ten days after the date of this decision. Your personal contact details will not be published.

You may view the Canberra Health Services disclosure log at:

Ombudsman review

My decision on your access request is a reviewable decision as identified in Schedule 3 of the Act. You have the right to seek Ombudsman review of this outcome under section 73 of the Act within 20 working days from the day that my decision is published in Canberra Health Services disclosure log, or a longer period allowed by the Ombudsman.
