

## ACT HEALTH – INTERPRETER CARD

The use of an accredited interpreter is required by:

- ACT Government policy and legislation;
- The National Safety and Quality Health Service Standards; and
- Good practice and commitment to patient/consumer safety and quality outcomes.

To provide a patient/consumer with this card, please:

- Print this sheet;
- Cut out the card (along the red lines); and
- Create a wallet-sized card (fold along the dotted red line)

You will also need your work area's TIS Client Code.  
this card through TIS National (131 450).
