This date was extended with your agreement.

I have identified 750 documents holding the information within scope of your access application in sections C – I. These are outlined in the schedule of documents included at Attachment A to this decision letter.

### **Decisions**

I have decided to:

- grant full access to 126 documents;
- grant part access to 463 documents; and
- refuse access to 161 documents.

My access decisions are detailed further in the following statement of reasons and the documents released to you are provided as Attachment B to this letter.

In reaching my access decision, I have taken the following into account:

- The FOI Act;
- The contents of the documents that fall within the scope of your request;
- The views of relevant third parties; and
- The *Human Rights Act 2004*.

### **Section C**

#### **Full Access**

I have decided to grant full access to 27 of the 43 documents in section C relevant to the scope of your request. Please see attached schedule of documents for further detail.

#### **Refuse Access**

I have decided to refuse access to two documents in section C as outlined in the schedule of documents. These documents are wholly comprised of information that would reveal deliberations of Cabinet. These documents are therefore taken to be contrary to the public interest to release, under Schedule 1.6 (1) Cabinet Information (d) the disclosure of which would reveal any deliberation of Cabinet.

#### **Partial Access**

I have decided to grant partial access to 14 in section C documents. Two of the identified documents contain information that is partially comprised of Cabinet information. The information is therefore taken to be contrary to the public interest to release under Schedule 1.6 (1) Cabinet Information (d) the disclosure of which would reveal any deliberation of Cabinet. I determined the information identified is contrary to the public interest and I have decided not to disclose this information.

12 of the identified documents contain information that I consider, on balance, to be contrary to the public interest to disclose under the test set out in section 17 of the Act as the information contained in these folios is partially comprised of personal information, such as email addresses and mobile contact numbers of both government and non-government employees.

#### Public Interest Factors Favouring Disclosure

The following factors were considered relevant in favour of the disclosure of the documents:

- *Schedule 2.1 (a) (i) promote open discussion of public affairs and enhance the government's accountability;*
- *Schedule 2.1 (a) (ii) contribute to positive and informed debate on important issues or matters of public interest;*
- *Schedule 2.1 (a) (iv) ensure effective oversight of expenditure of public funds; and*
- *Schedule 2.1 (a) (viii) reveal the reason for a government decision and any background or contextual information that informed the decision.*

#### Public Interest Factors Favouring Non-Disclosure

The following factors were considered relevant in favour of the non-disclosure of the documents:

- *Schedule 2.2 (a) (ii) prejudice the protection of an individual's right to privacy or any other right under the Human Rights Act 2004.*

On balance, I determined the information identified for redaction is contrary to the public interest and I have decided not to disclose this information as it would prejudice the right to privacy of the individuals involved.

### Section D

#### Full Access

I have decided to grant full access to 48 documents of the 487 relevant to the scope of your request. Please see attached schedule of documents for further detail.

#### Refuse Access

I have decided to refuse access to 117 documents as outlined in the schedule of documents as these are wholly comprised of the following information;

- *Schedule 1.2 Information subject to legal professional privilege – Information that would be privileged from production or admission into evidence in a legal proceeding on the ground of legal professional privilege; or*
- *Schedule 1.6 (1) Cabinet Information (d) the disclosure of which would reveal any deliberation of Cabinet.*

These documents are therefore taken to be contrary to the public interest and I have decided not to disclose this information.

Also, these documents hold information of commercial activity of non-government businesses. Disclosure of this information would have the detrimental effect of reducing the competitive ability of these organisations as well as reasonable expectation to reduce the ability of Government to engage external contractors.

#### Public Interest Factors Favouring Disclosure

The following factors were considered relevant in favour of the disclosure of the documents:

- *Schedule 2.1 (a) (i) promote open discussion of public affairs and enhance the government's accountability;*
- *Schedule 2.1 (a) (ii) contribute to positive and informed debate on important issues or matters of public interest;*
- *Schedule 2.1 (a) (iv) ensure effective oversight of expenditure of public funds; and*

- *Schedule 2.1 (a) (viii) reveal the reason for a government decision and any background or contextual information that informed the decision.*

#### Public Interest Factors Favouring Non-Disclosure

The following factors were considered relevant in favour of the non-disclosure of the documents:

- *Schedule 2.2 (a) (xi) prejudice trade secrets, business affairs or research of an agency or person; and*
- *Schedule 2.2 (a) (xiii) prejudice the competitive commercial activities of an agency.*

On balance, I determined the information identified for redaction is contrary to the public interest and I have decided not to disclose this information as the public interest in these documents is outweighed by the detrimental effect to Government and non-government organisations. Where the public interest factors outweighed the factors favouring non-disclosure, I have released the information.

#### Partial Access

I have decided to grant partial access to 322 documents. The identified documents contain information that is partially comprised of Cabinet information. The information is therefore taken to be contrary to the public interest to release under Schedule 1.6 (1) Cabinet Information (d) the disclosure of which would reveal any deliberation of Cabinet. - *Schedule 2.2 (a) (xi) prejudice trade secrets, business affairs or research of an agency or person; and*
- *Schedule 2.2 (a) (xiii) prejudice the competitive commercial activities of an agency.*

On balance, I determined the information identified for redaction is contrary to the public interest and I have decided not to disclose this information. As specified against each document in the schedule, disclosure of this information would have the detrimental effect of reducing the competitive ability of non-government organisations as well as reasonable expectation to reduce the ability of Government to engage external contractors and/or the security of an agency, government staff member or a member of the public and/or prejudice the right to privacy of the individuals involved. I have also redacted information that is not within the scope of the application.
