

Communique

Wednesday 24 June 2020

The fifth meeting of the Clinical Leadership Forum (the Forum) was held on Wednesday 24 June 2020.

Members received a progress update from the Culture Review Implementation Branch on the implementation of recommendations from the *Independent Review into the Workplace Culture within ACT Public Health Services*. Members discussed the importance of effective communication to ensure that information about activities towards achieving the recommendations is available to all staff. The *ACT Public Health Services Cultural Review Implementation Inaugural Annual Review* was also discussed by members.

Members acknowledged that ACT health services have innovated to provide continuity of care to the community during the COVID-19 pandemic. These innovations and key learnings provide an opportunity for future and longer-term planning for the ACT public health system.

The Terms of Reference for the Forum are due for the review and have been scheduled for discussion at the next meeting.

The Forum meets bi-monthly with the next meeting scheduled for 19 August 2020.
